At 0345hrs on the 23/12/2011, police responded to a male person who was unconscious on Flinders Street East after being assaulted - it is alleged that the male was pushed with some force resulting in him falling backwards and hitting his head. The male was unconscious for a matter of minutes.

The offender with another male has decamped in taxi number 21 from the night club precinct. Mundingburra 279 has intercepted this vehicle outside Lavarack Barracks confirming the two male occupant's identity. This being S [REDACTED] (suspect) and Rolfe, both are members of the ADF.

The injured male has sustained a large laceration to the back of his head and appeared to be intoxicated. This male was walking around and remembered his name as David [REDACTED]. Numerous David [REDACTED]s exist on QPrime but police believe the person is David [REDACTED] by a mugshot photo. [REDACTED] was transported to the Townsville hospital via QAS.

The Mundingburra crew have also taken photos of S [REDACTED] and Rolfe and have been scanned into this street check. The RO has contacted Townsville Hospital emergency dept and spoke to staff who could not confirm his injuries as yet. A job has been furnished for a morning police crew to attend the Townsville emergency dept to obtain [REDACTED]s injuries, confirm his identity and see if he wishes to make a complaint - CAD job number 377 refers.

The RO will make application to obtain Townsville city council CCTV footage of the incident. Both S [REDACTED] and Rolfe have been released without charge until police make further inq's regarding the incident. DDO and CIB have been advised.
