We would like to submit the following:

Regarding **Question 2:** Should the attribute of "Gender identity" be included in the Act?

We submit 'no'.

Regarding **Question 4:** Should vilification provisions be included in the Act?

Curtailing and legislating against extreme and pervasive vilification needs to happen but we believe that the terms 'offend' and 'insult' should not be included in the legislation.

Regarding **Question 14:** Should any exemptions for religious or cultural bodies be removed?

We submit 'no',

Regarding **Question 20:**

We submit 'no'. Language that includes these biological distinctives is important.

Regarding **Question 21:**

We submit 'no'. Parenthood should be upheld and the term 'carer' introduced as a separate notion.
